**September 11, 2023 @ 7.30pm – The Grange**

	<p><b>Present</b>          Antony Owen (AO), Marie Norris (MN), Richard McVeigh (RM), Jon Anderson (JA), Rachel Shaw (RS), Clare D'Arcy (DC), Lucy Payne (LP)</p>	
	<p><b>Apologies</b>          Kerri Baylis (KB), Ian Hawkins (IH)</p>	
<b>1.</b>	<b>Matters arising from previous minutes of 10th July &amp; 14th August</b>	
<b>2.</b>	<p><b>Treasurer Report (LP/AO/RM)</b></p> <p><b><u>Match fees/training fee</u></b>          The system is working for managers but has increased workload on the treasurer massively to a point where it is not manageable. Hopefully once everyone starts paying correctly then it may slightly reduce the issues.          LP to look at ways to simplify the present arrangement.          As parents are not paying for friendlies the number has increased and therefore the cost of unrecoverable referees' fees has also increased.          A request has been sent out regarding paying of referees to managers to send in account details and request either payment a month in advance then send in spreadsheet of expenditure to enable a top up or a month behind.</p> <p><b><u>100 Club</u></b>          GC to advise asap regarding walking football to join the 100 club this is the preferred solution.          Men have not been paying again so Liam now has SUMUP machine to collect subs on the day.          LP raised missed draws as a problem. AO to sort.</p>	<p style="text-align: center;"><b>LP</b></p> <p style="text-align: center;"><b>MANAGERS</b></p> <p style="text-align: center;"><b>GC</b></p> <p style="text-align: center;"><b>LIAM</b></p> <p style="text-align: center;"><b>AO</b></p>
<b>3.</b>	<p><b>Registrations (JA/AO)</b></p> <p>JA has a few left pending with the league.          RM to get a full list so his payment sheet includes all players, train only and registered not just payments received as managers are not checking on players missing.          JA to send out list to managers on status of unregistered players and what is missing.</p> <p><b><u>Player Medical Information</u></b>          Managers do not have medical information &amp; parents seem reluctant to add it on the system so managers can access. Therefore, it will have to be transferred manually from the google registration form which JA believed he could do reasonably easily.</p>	<p style="text-align: center;"><b>RM</b></p> <p style="text-align: center;"><b>JA</b></p> <p style="text-align: center;"><b>JA</b></p>
<b>4.</b>	<p><b>Kit &amp; Equipment/Training (AO/RM)</b></p> <p>Despite stock being available at the August meeting to take on departure, some left without taking items. Also, non-attendees were then making requests and asking questions all answered at the meeting. Attendance needs to be mandatory for each team and doesn't</p>	

	<p><b><u>Presentation day</u></b>  The proposal is to have the presentation days in June.  It was asked if a Saturday could be used, first potential issue with cricket could be overcome.  Secondly, will the 3g have started as soon as the season finishes.</p> <p><b><u>Matchday</u></b>  Parking will be very busy.  Respect ropes will need checking to see if more need ordering.  Technical areas required.  More use out of VEO required  A welcome and be positive message was sent out on community.</p> <p><b><u>Merchandise</u></b>  LP should be receiving the scarf and hat order soon.</p> <p><b><u>Grange Bar</u></b>  EBSCT to be asked if they can open the bar with extended hours for both Saturday and Sunday to start to breed a culture both with the football club and local community in making it a hive of activity. Team and club social events also need to be proactive in filling the venue. AO to ask Jayne Bond a cost maybe associated.</p> <p>REPS meeting to be held instead of managers meeting on 9th October (MN not available on 9th). Invite via Team Reps WhatsApp group.</p>	<b>AO</b>
