Player Code of Conduct Annex Covid-19 Return to Training

In line with government and FA guidance on changes to football club player codes of conduct, this annex has been written to compliment the Earls Barton United Code of Conduct.

Expectations

In addition to the Behaviour policy, players are expected to:

- Follow all altered routines for arrival and departure
- Follow club and government instructions on hygiene, such as handwashing and sanitising
- Follow instructions on who players can socialise with at training
- Move around the training venue as per the specific instructions e.g. one-way systems, queuing, out-of-bounds areas
- Follow expectations in regard to sneezing, coughing, tissues and disposal of, (in line with the “catch it, bin it, kill it” message) & avoidance of touching mouth, nose and eyes
- Follow rules about sharing any equipment or other items including drinks bottles, balls etc.
- Follow rules on amended expectations during break-times, including where they can and cannot move to
- Follow rules on toileting

Ladder of Consequences for U6-U11

At Earls Barton United FC we understand that it will take a little time for players to learn, adapt to and secure the new behaviour expectations. We will therefore assess each non-compliance on an individual basis before judgement is made. Level 1 will offer a polite reminder to all players. However, if non-compliant behaviour is with intent and/or persistent, then the Ladder of Consequences will not be followed and Level 3 will be instigated immediately.

Level	Consequences
1	Initial expectation setting - reminder, individually or as group
2	Orange Level - Final warning – name written on the behaviour register. If behaviour persists – proceed immediately to red due to risks posed to others
3	Red Level - Player is returned to the parent/carer & asked to leave. A discussion will be held between the coach and parent /carer as to whether the player is able to return in future sessions

Consequences for Secondary School & Adults

At this age group we expect the player to fully understand and step into the new rules without any need for the Level 2. If the non-compliant behaviour is with intent or persistent then Level 3 will be automatically enforced.

Level 1 is re-enforced for an unintentional non-compliance.

Level	Consequences
1	Initial expectation setting - reminder, individually or as group.
2	Red Level – Player is returned to the parent/carer or adult is asked to leave. A discussion will be held between the coach and parent/player as to whether the player is able to return in future sessions
