

## Earls Barton United Secretary Report AGM 09-06-2020 (Position still vacant)

Good evening, this has been a busy season but I am really thankful for the help of Kerri, Sue, Jon and the managers who have taken a lot of the burden out of this role.

The league was brought to an abrupt end which was disappointing as so many of our teams were in promising positions to win trophies and many were just enjoying their football experience.

### Registrations

Jon has registered 334 players over 17 teams.

New registrations from 1<sup>st</sup> July must include an e-mail address for every player.

All players require photos for the following; NDYAL new photos 7, 11, 14 and 18. Weetabix 7, 9, 11, 13, 15  
New form to be filled in for every player.

This process is awaiting the whole game system to go live.

We have a couple of coaches who need to renew their qualifications which have been impacted on by the current restricted service.

NTFA - unsure

NFA - 24<sup>th</sup> June - probably Tony attending

### Match Organisation

All matches are organised via the managers, advising venue, time and colours of kit to the opposition and Referees.

There has been a massive shortage of referees in the youth leagues.

Cancellation forms are being sent in either directly or via myself and only a couple have been missed incurring fines.

Similarly, for NTFA and County cup games.

The managers are generally sending in match reports via the FA matchday app, although there have been issues and some are still not doing it correctly so all the information is not showing. Sue enters some teams.

Note the Weetabix are asking for results to go to the results secretary and text to full time.

Co-ordination of venues is still an issue and will be a big problem. I thank Sue for providing the list each month.

**However, we still could do with someone taking on the role sorting pitches etc.**

### Covid 19

I have produced a complete set of guidelines to commence training and these will be sent out to the members. I have also ordered the necessary PPE.

We still await the FA guidance document. Safety is our priority.
